

ExactLogic BACnet Thermostats are compliant with the Buy American provisions governed by the Federal Transportation Administration (FTA) as published in Title 49 USC 5323 and 49 CFR 661 – Buy America.

With our facility located in Rogers, Minnesota, ExactLogic is proud to announce that all of our BACnet thermostats (EXLXXXX) are compliant for use on any Federal Transportation Administration (FTA) Buy America project.

We have carefully reviewed Federal Transportation Administration(FTA) Title 49 USC 5323 and 49 CFR 661.

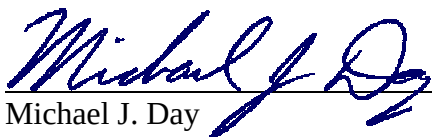

Per 49 CFR 661.5

(d) For manufactured product to be considered produced in the United States:

(1) All of the manufacturing process for the product must take place in the United States.

(2) All of the components of the product must be of U.S. origin. A component is considered of U.S. origin if it is manufactured in the United States, regardless of the origin of its subcomponents.

ExactLogic BACnet thermostats are compliant with the Federal Transportation Administration (FTA) Buy America by being of origin at our facilities in Rogers, Minnesota.
